EDUCATION

VIDEO DESIGN & PRODUCTIONS

George Brown College - Graduated 2019

INDUSTRY EXPERIENCE

VIDEOGRAPHER & PHOTOGRAPHER

BlackWolfArtistry | August 2018 - Present

- Toronto-based independent production company that specializes in a wide range of creative visual services. It primarily positions itself as a collaborative partner for small businesses, local artists, and independent creators.

BEHIND THE SCENES PHOTOGRAPHER

TLN Media Group | July 2019 - Mar 2023

- Capturing candid, raw, and the creative process of on set film productions.

MEDIA TECHNICIAN

Humber College | Nov 2022 - Apr 2023

- Equipment Management: Install, repair, maintain, and configure photography equipment
- Technical Support: Assist students and faculty in labs, studios, and on-set, ensuring industry standard practices are met.
- Asset Management: Track inventory, manage equipment lending, and maintain stock of replacement parts.
- Facility Upkeep: Ensure, clean, and maintain photo studios, labs and equipment room.

VIDEO PRODUCTION

The Sean Ward Show Inc. | Oct 2019 - Sept 2023

- Team Collaboration: Partnered with cross-functional teams, directors, and technicians to organize shoots, cast actors, and execute the creative vision for multi-media projects.
- Camera & Technical Operations: Supported principal photography by building/maintaining camera rigs, pulling focus, and managing professional lighting and audio setups in diverse on-location environments.
- On-Set Logistics: Implemented equipment logistics and performed "first AC" duties, including testing, cleaning, and troubleshooting gear to ensure seamless filming.
- Content Creation: Captured behind-the-scenes (BTS) footage and compiled multi-platform social media content to drive audience engagement.
- Project Delivery: Simultaneously juggled multiple high-priority projects, ensuring all deliverables met quality standards and strict deadlines.
